355 Pints of Blood Donated During Recent Drive

Student Senate held a meeting in the Regent's Room of the Student Center on Wednesday, Oct. 23, 1985. The meeting was called to order by Brian Box. Roll call was given by Lori Frantz. Those absent were: Donna Kalbas, Kelley Doyle, and Tiffany Bird. Brian Box read a thank you note from Terri Holmstrom. The minutes were accepted as stated.

During Officers' Reports, Executive Council mentioned the homecoming assembly, homecoming parade, and the Miss Southwestern Pageant, along with the conflicts of the pro wrestling.

Treasurer's Report stated that Senate owed \$65.61 to SW Bell, \$15 to Foxbrier, and \$5.30 to AT&T. The current balance is now \$9,348.81.

Committee Reports started with the Homecoming Queen Committee stating that volunteers were needed to pick up the platform and to take it to the Fine Arts Center. Homecoming Parade --volunteers as artists were needed and two volunteers to carry a banner in the parade were asked for. They met after the Senate meeting. The Blood Drive Committee mentioned that a total of

355 pints of blood were donated during the last drive. First prize went to the BSU, second prize went to the Biology Club, and third prize went to the Nurses Association. A meeting of the committee was held after Student Senate. During Special Events, the wrestling conflict was brought up. It is being put off until December. There may be a concert in the future, and Public Relations had a booth set up during Health Careers Day. Activities announced the homecoming dance to be in the gym on Oct. 26, 1985, from 10 p.m.-1 a.m. Party-Pics will be

available for those who wish to participate. The Halloween Dance is scheduled for Oct. 31 in the Ballroom from 9 p.m.-12 a.m. It will be a costume dance for those who wish to participate. The Marquee had been updated, and a Publicity meeting was held after Senate. Safety and Lighting Committee chairman encouraged everyone to turn in their reports. Task Force approved the Circle K Club application. Care Package Committee announced that envelopes had been obtained and addresses of college students had been seen to also.

Unfinished Business was concerned with wrestling on campus. Brian Box explained that the wrestling had been cancelled because the wrestlers were hurt. Dec. 9, 1985, is the tentative date for the pro wrestling instead of November.

Brad Flippin made a motion to accept Circle K as an organization on campus. This was done during New Business. After some discussion, the motion was passed. Circle K is a service club. The appropriations stated earlier were accepted. The meeting was adjourned.

TO: Dorm Supervisors

It has recently come to my attention that Southwestern has fallen behind in the amount of approved visitation hours in our dormitories. I would like to re-align these hours on a temporary basis until the end of this semester. At that time the program will be evaluated. No or few problems would result in continuing the program, while a number of incidences would result in restrictions being re-established.

The first three guidelines, listed below, must be strictly enforced by all dorms. The fourth deals with number of hours and may be adjusted somewhat to meet the needs of your dorm.

1. Each guest, upon entry to the dorm, will be registered at the lobby desk, and an I.D. be turned in which must be picked up when the visitation hours are concluded.
2. Doors to rooms may be closed, but may not be locked.
3. A Resident Advisor must be on duty during all of the hours that visitation is occurring.
4. Dorms may begin visitation as early as the beginning hours listed, but no earlier. Also, conclusion of visitation hours may be as late as the hours listed, but no later.

SUNDAY THROUGH THURSDAY NIGHTS

4:00 p.m. - 11:00 p.m.

FRIDAY AND SATURDAY NIGHTS

5:00 p.m. - 12:00 midnight

After meeting with your R.A. staff and setting your actual visitation schedule, send a copy of this schedule to Dean Ash and Dean Williams for their files. Also, be sure to have your schedule posted and inform all residents of the new guidelines.

Southwestern Oklahoma State University Director of Admissions Bob Klaassen was recently presented with an Outstanding Achievement Award from the Oklahoma Association of Collegiate Registrars and Admissions Officers. The award, according to Bill Wilmeth, Southwestern Registrar who presented it to Klaassen, is "particularly meaningful because of the high standards set for its receipt, and relatively few among our ranks have been named to receive it."

Klaassen has been Southwestern's Director of Admissions since 1978.

Bulldogs Sole Leader of OIC; Stop Savages 24-17

By PAUL LANCASTER

It was a day of misleading statistics, whereas if you went by those statistics alone one would have sworn that the Southeastern Savages had blown out the Bulldogs; that was not the case.

The Southwestern defense held the Savages to -9 yards rushing on 11 attempts, but gave up 474 yards by the arm of 'Air Taylor' (Troy Taylor, the Savage quarterback). But that same defense intercepted three Taylor passes, and Randy Simmons returned one 49 yards for a touchdown as the 'Dawgs won the homecoming battle 24-17.

The two opening drives of the game for both teams were stalled in four plays each. After Deven Cross boomed a 58 yard punt into the endzone, the Savages took over on their 20. On a second-and-two play from his own 28, Troy Taylor lofted a 72-yard bomb to split-end Mike Robertson who took it in to score. After Gardella's point after, the Savages led 7-0 with 10:37 remaining in the first quarter.

The 'Dawgs moved the ball 54 yards in eight plays on their series using up 4:13 on the clock. On a fourth-and-nine play, Ardy Rezaie booted a 40-yard fieldgoal to draw the score closer at 7-3 with 6:24 remaining in the first quarter.

Again the Bulldogs' defense stopped the Savages in four plays and forced a punting situation. The 'Dawgs took over on the SE 46 and had moved to the 26 before Marion Brown was sacked back to the 37. On a third-and-seventeen play, Brown threw a screen pass to Lonnie May who scampered 37 yards for the touchdown. With Rezaie's PAT the 'Dawgs had a 10-7 lead and 2:02 remaining in the first quarter.

On the next Savage drive, the ball was pushed up to the 49 in six plays. On a first-and-ten play from the 49, Taylor dropped back to pass but was picked-off by Randy Simmons who took it in for a touchdown. With Rezaie's point after, the 'Dawgs led 17-7, and there were still :11 seconds remaining in the first quarter.

Again the AT&T defense held the Savages in seven plays and only 23 yards. The Bulldogs took over on their own 43. The 'Dawgs moved 57 yards in 16 plays capped off by Lonnie May's one-yard plunge. Rezaie's point after was good, and the Bulldog now led 24-7 with 6:42 remaining in the half.

Southeastern started on their own 15 and moved the ball to their deepest penetration point yet. The Savages moved 64 yards to the SW 21. On a second-and-ten

play Taylor was intercepted by Chris Wilson at the 19. The Bulldogs were unsuccessful on their next drive, and Deven Cross punted to the SE 23.

The Savages got to the five-yard-line and on a fourth-and-five play Gardella's 22-yard fieldgoal attempt was wide. The 'Dawgs went into the locker room leading 24-7.

The only score of the third quarter was a 30-yard fieldgoal by the Savages' Gardella. The drive began on the SE 3 and moved 85 yards in 19 plays. After the fieldgoal, the margin was narrowed to 24-10 with 3:40 remaining in the third quarter.
